### **INDEPENDENT AUDITOR'S REPORT**

We have audited the accompanying statements of financial position arising from cash transactions of North South Foundation as of April 30, 2011 and 2010 and the related statements of activities, functional Expenses and cash flows for the years then ended. All records supporting these financial statements are the responsibility of the management of the Foundation. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 2, these financial statements have been prepared on the cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above read with notes #1 to 17 thereon present fairly, in all material respects, the financial position arising from cash transactions of North South Foundation, as of April 30, 2011 and 2010, and the changes in its net assets and its cash flows for the years then ended on the basis of accounting described in Note 2.

### NORTH SOUTH FOUNDATION

(An Illinois Not for Profit Organization)

Notes to Financial Statements

#### 1) <u>Purpose of Organization</u>:

The Foundation was founded in 1989 for operating exclusively for charitable and educational purposes, or such other purposes as may be provided in section 501(c)(3) of the Internal Revenue Code including, for such purposes, the granting of scholarships to qualified third world country students who otherwise could not afford to further their education. Current funds are used to fund educational contests in the US, scholarships to students both in USA and India and other charitable purposes.

### 2) <u>Basis of Accounting</u>:

The foundation maintains its books and records on the cash basis of accounting and as such financial statements of the foundation have been prepared using the same basis. Under the cash basis of accounting, revenues and related assets are recognized when received rather than earned and expenses are recognized when paid rather than when obligation is incurred.

#### 3) <u>Valuation of non cash contribution</u>:

The Foundation values the non cash contribution by donors at market value on the date the contribution is received even if the actual cost to the foundation is nil.

#### 4) Cash and Cash Equivalents:

Foundation treats cash in hand, cash at banks and investment in money market accounts as cash equivalents. The breakdown by account as of April 30, 2011 and April 30, 2010 are as follows:

The accompanying notes are an integral part of the financial statements

5) Indirect Public Support:

The foundation allocates two third of contributions received from various educational contests and workshops as charitable contributions and treats the remaining as non charitable contributions.

100% of revenues received for meals and educational materials are considered program service revenues and there is no indirect support in those payments.

### 6) Donor Advised Fund:

This is a restricted fund managed by the Foundation based on the directives of the donors. Based on the advice of the donors, the Foundation makes disbursements to charities of their choice provided the recipients meet necessary guidelines.

### 7) Endowment Fund:

This is a restricted fund from which the Foundation can only use income for disbursements in charitable purposes. Donors contribute set amount of principal to the Foundation with the stipulation that the Foundation will disburse the income for a stated purpose. For example, a donor can currently set up a \$5,000 endowment fund for one scholarship each year in perpetuity.

### 8) <u>US Scholarship Fund</u>:

This is a restricted fund set up to meet the obligation of the scholarships awarded to the national finals champions each year. The Foundation started educational contests in 1993. The scholarship is redeemable by the awardees during the freshman year of college and is payable to the awardees through their institutions. Foundation treats unclaimed amount of scholarship as restricted fund to meet obligation of foundation towards future awards.
