

मेधस Academy is organizing **MathCore** (Common Core Math) prep tests and **MathGenius** (Critical Thinking Math) National Contest for children across United States. The Common Core Tests are free of cost, while the Critical Thinking National Contest has a fee of \$20 per student. The online tests will start from March 12th and are open for any 3rd to 8th grade children nationwide.

If you have a 3rd to 8th grader, please visit the blog <http://mathusacademy.com> for detailed registrations instructions. If you have any friends or family who could be benefited the free online assessments, please feel free to forward the information and links to them.

If you are a resident of Georgia, the **MathCore** prep tests will also be conducted onsite in Atlanta on March 18th. **MathGenius** Contest will be online for all children. You will find these instructions as well on the blog <http://mathusacademy.com>.
