# 1.0 Introduction

## The North South Foundation (NSF)

NSF continues to promote education based on excellence and service. In the 2022-23 academic year, NSF remained committed to supporting academic achievement and providing opportunities for deserving students through scholarships, contests, and creative assessments.

Since its inception, NSF has worked to address educational disparities, empowering students and helping them reach their full potential.

With the persistent support of our dedicated volunteers and generous donors, NSF has consistently enabled students from diverse backgrounds to achieve their fullest potential. Our wide array of programs and events not only foster academic excellence but also nurture the spirit of giving back, cultivating a community of future leaders who are committed to making a positive impact on the world.

Reflecting on the milestones achieved over the past year, we are reminded of the transformative power of education. We take immense pride in the achievements of our students and the growth of our programs, which have reached new heights in the 2022-23 academic year. Through scholarships, academic contests, and creative learning initiatives, NSF has empowered countless students to pursue their dreams. As we look forward to the future, we remain committed to our mission of fostering educational excellence and expanding opportunities for all. The North South Foundation will continue to be a pillar of support and inspiration and guiding students towards accomplishment. Together, we can build a brighter future.

## 2.0 Message from the Managing Trustee

### Dear Friends & Supporters of NSF,

Reflecting on the past year fills me with immense pride and gratitude. The North South Foundation has achieved remarkable progress in empowering deserving students. Our mission to provide scholarships and creative learning, cultivate holistic leaders, and support the community remains at the heart of our work. Your dedication has been crucial to our success.

This year, we awarded over 2,800 scholarships, symbolizing our commitment to nurturing talent. Our scholars have excelled academically. Our competency-based education initiatives, have enhanced students' critical thinking and creativity. Collaborative efforts with local chapters have ensured that our resources reach those who need them most.

**Warm regards,**

**J.S.R. Prasad**

Managing Trustee North South Foundation

Over the past year, we have made remarkable strides in our mission. We successfully distributed scholarships, introduced innovative assessment models, and organized various competitions. Our Question Bank & Content team expanded, converting non-MCQs to MCQs and mapping legacy questions. Additionally, our Product Development team developed comprehensive student report dashboards and integrated HUM Study features. Despite numerous challenges, our team effectively engaged students from a variety of schools, leading to increased participation and enthusiasm. Additionally, we collaborated with institutions like JNV, TSWREIS, KV, OAVS, and private schools to introduce new platforms for teacher and student dashboards.

Looking ahead, we are committed to enabling education for all, exploring new avenues to enhance our support systems, and creating a robust network of scholars. I extend my heartfelt thanks to our donors, volunteers, and partners. Together, we are making a difference.

Thank you for being part of the North South Foundation family. Let us continue to work together to unlock the potential of every deserving student.

## 3.0 About Us

**North South Foundation-India is a volunteer driven non-profit organization established in 2004.**

### History

Since 2004, North South Foundation (NSF)-India has been dedicated to supporting education for economically disadvantaged and academically brilliant students through competency-based assessment initiatives, scholarships and educational contests. Over the years, NSF India has expanded its reach to numerous regions across the country, impacting thousands of students annually.

### Our Vision

Empower every child to achieve their maximum potential

### Our Mission

- Provide education scholarships and resources to needy children
- Empower every child to excel in education and to be an empathetic and holistic leader
- Provide a platform for volunteers to support the community

Through its scholarship program, NSF India has provided financial aid to meritorious students who lack the means to pursue their academic dreams. Additionally, the foundation organizes educational contests in subjects such as spelling, math, science, and geography. These contests not only foster a spirit of healthy competition among students but also help them enhance their knowledge and skills in various subjects.

The foundation's initiatives have led to remarkable success stories, with many scholarship recipients and contest winners going on to achieve significant academic and professional milestones. By fostering academic excellence and providing opportunities for holistic development, the foundation continues to make a lasting impact on the lives of students across India.

### Our Core Values

- **Integrity:** We uphold the highest standards of honesty and transparency in all our actions and decisions.
- **Excellence:** We strive for excellence in every program and initiative, aiming to achieve the best outcomes.
- **Inclusivity:** We ensure equal opportunities for all students, fostering a diverse and inclusive environment.

## 4.0 Year in Review

### MAJOR ACHIEVEMENTS

#### Scholarships:

**2755**

Scholarships for **11** College courses

**24**

Chapter-coordinators in **14** States

#### NCL:

#### ASSESSMENTS: OVERALL PARTICIPATION

An average of

**31000**

students participated in the assessments

Assessments across **9** School systems,

approximately **729** schools across

**27**

States

#### Bee Competitions

**4** Contests

**9** Schools

**2** States

**30** winners

#### Question Bank

- Added over 7000 new questions to the Question Bank for Creative And Critical Thinking (CCT) and HUM Study.
- Mapped over 8,588 legacy and new questions across all platforms.
- Enhanced learning frameworks for English, Mathematics, and Science.

#### Schools and States

- NVS (Navodaya Vidyalaya Samiti): Participation from multiple regions.
- TSWREIS (Telangana Social Welfare Residential Educational Institutions Society): Participation from Telangana.
- KV (Kendriya Vidyalaya Sangathan): Participation from regions including Bengaluru, Haryana, and Jabalpur.
- OAVS (Odisha Adarsha Vidyalaya Sangathan): Participation from Odisha.
- APSWREIS (Andhra Pradesh Social Welfare Residential Educational Institutions Society): Participation from Andhra Pradesh.

# 5.0 Programs and Initiatives

## (Scholarships, NCL)

### SCHOLARSHIP PROGRAM

The Scholarship Program is central to our mission. By providing comprehensive insights into the program, highlighting our stringent selection criteria, and demonstrating the significant impact on recipients, we ensure that the most deserving students receive the necessary support. The program not only covers tuition fees but also offers mentorship and additional resources to help students excel.

### Overview of the Scholarship Program

Our Scholarship Program is designed to identify and support the brightest and most dedicated students. We believe that financial barriers should not hinder the pursuit of education and personal growth. By covering tuition fees, we alleviate a significant burden, allowing students to focus on their studies and future goals.

### Rigorous Selection Criteria

Our selection process is meticulous, ensuring that only the most deserving candidates are chosen. We evaluate applicants based on academic excellence, leadership potential, community involvement, and personal essays. This thorough assessment helps us identify students who not only have the potential to succeed academically but also possess the qualities necessary to become future leaders and positive contributors to society.

### Impact on Recipients

The impact of our Scholarship Program extends far beyond financial support. Recipients gain access to mentorship from experienced professionals who guide them through their academic and career journeys. Additionally, we provide various resources, such as workshops, networking opportunities, and career development programs, to ensure that students have the tools they need to thrive.

### Mentorship and Additional Resources

Understanding that success in education is multifaceted, we offer more than just financial aid. Our mentorship program connects students with seasoned mentors who provide guidance, support, and advice on navigating academic challenges and career planning. Furthermore, we organize workshops and seminars that equip students with essential skills, from time management to professional development.

### Eligibility Criteria for NSF Scholarship:

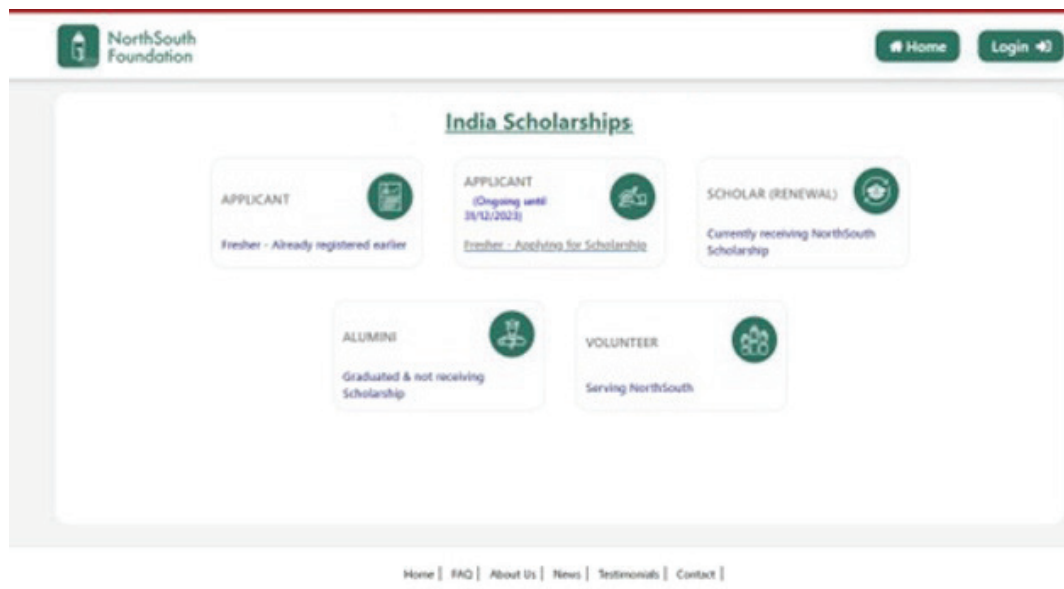

- Applicants must have successfully completed their Class 12 Board Exams.
- Diploma students seeking the NSF Scholarship must have passed their Class 10 Board Exams.
- Candidates must have ranked in the top 10% in their state or national ranks.
- Applicants must also have secured commendable rankings in CET, NEET, or JEE Exams in their respective states.
- The annual family income of applicants should not exceed ₹ 1,50,000.

For graduate studies, candidates must have secured admission in one of the following professional courses:

Courses	Scholarship Amounts per Annum (₹)
Engineering,	25000
Diploma in Engineering	10000
MBBS,	30000
BAMS (Ayurvedic Medicine)	25000
BHMS (Homeopathic Medicine)	25000
BDS (Dental Surgery)	25000
Courses	25000
Veterinary Science	25000
Architecture	25000
B. Pharma	25000
B.Sc (Agri)	25000
B.Sc (Nursing)	25000

Application Process: Students need to submit their Class 10th & Class 12th board exam results, admission confirmation, & income proof.

# Creative Learning

The Creative Learning Assessment team made significant progress. The Question Bank & Content Vertical expanded its team and successfully converted numerous Non-MCQ questions to MCQs, mapping 67% of Creative And Critical Thinking (CCT) legacy questions. The Product Development Vertical completed most planned sprints, developed cumulative student report dashboards, and integrated new HUM Study features. The Implementation Vertical engaged students from various schools, achieving increased participation despite challenges. Additionally, stakeholder engagement involved collaborations with multiple educational institutions and the introduction of new platforms for teacher and student dashboards

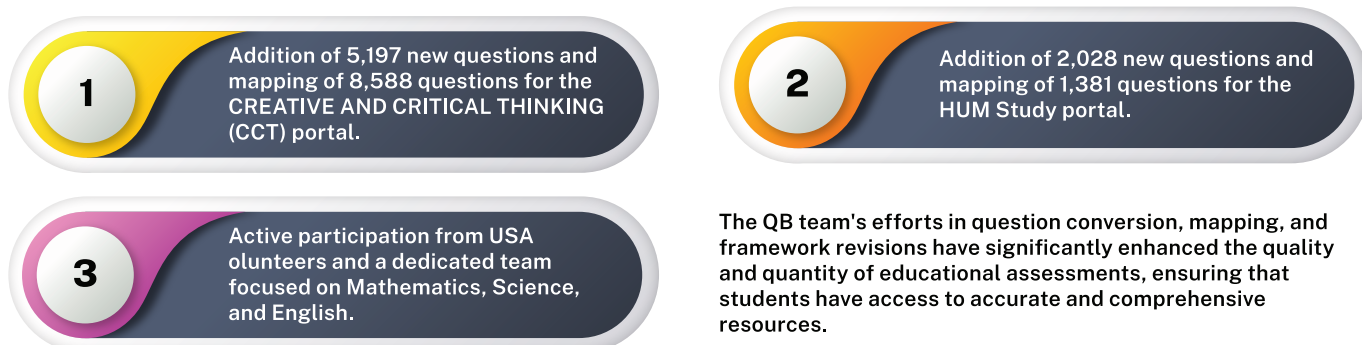

## Progress on Question Bank and Content Vertical

The Question Bank (QB) team made significant progress in enhancing educational assessments by expanding their team and converting over 1,500 non-MCQ questions to MCQs, with further contributions from the USA NSF team and Trivium. They revised frameworks for various subjects and focused on mapping legacy questions, despite challenges like team availability and accuracy. The team, divided among Mathematics, Science, and English, added and mapped thousands of new questions across the CREATIVE AND CRITICAL THINKING (CCT) and HUM Study portals, with notable achievements in both areas, although they faced difficulties with consistency and accuracy in legacy content.

the Question Bank (QB) team has made remarkable progress in advancing educational assessments. The team expanded from 7 to 13 members, with plans to add 9 more. They successfully converted over 1,500 non-MCQ questions to multiple-choice questions (MCQs) and received significant contributions from the USA NSF team and Trivium, adding hundreds of new questions for grades 6 to 8. Despite challenges such as team availability and the accuracy of legacy questions, they added and mapped thousands of new questions across the CREATIVE AND CRITICAL THINKING (CCT) and HUMStudy portals. Frameworks for all subjects were revised, and new drafts were created, ensuring a comprehensive and updated question bank.

## Key highlights include

# NCL : Product Development Vertical

The Product Development Vertical has executed 12 focused sprints aimed at enhancing the North South Foundation-India's educational tools and platforms. Their key achievements include the introduction of new student IDs and learning outcome reports, along with pilot tests for KV schools. Significant integrations of Hum study and Creative And Critical Thinking (CCT) platforms were completed, involving dashboard updates and refinements to learning frameworks. Enhancements to student dashboards, live support for Creative And Critical Thinking (CCT) tests, and the development of progress tracker reports were also notable milestones.

Product Development Vertical Highlights	Team Growth	Learning Outcome Reports
	New Student IDs	Dashboard Updates
Equation Editor	Practice Tests	Humstudy and CREATIVE AND CRITICAL THINKING (CCT) Integration
Performance Reports	Private School Contests	
Assessment Framework Updates	Quality Control Protocol	Future Teacher Portals
	State and District Reports	

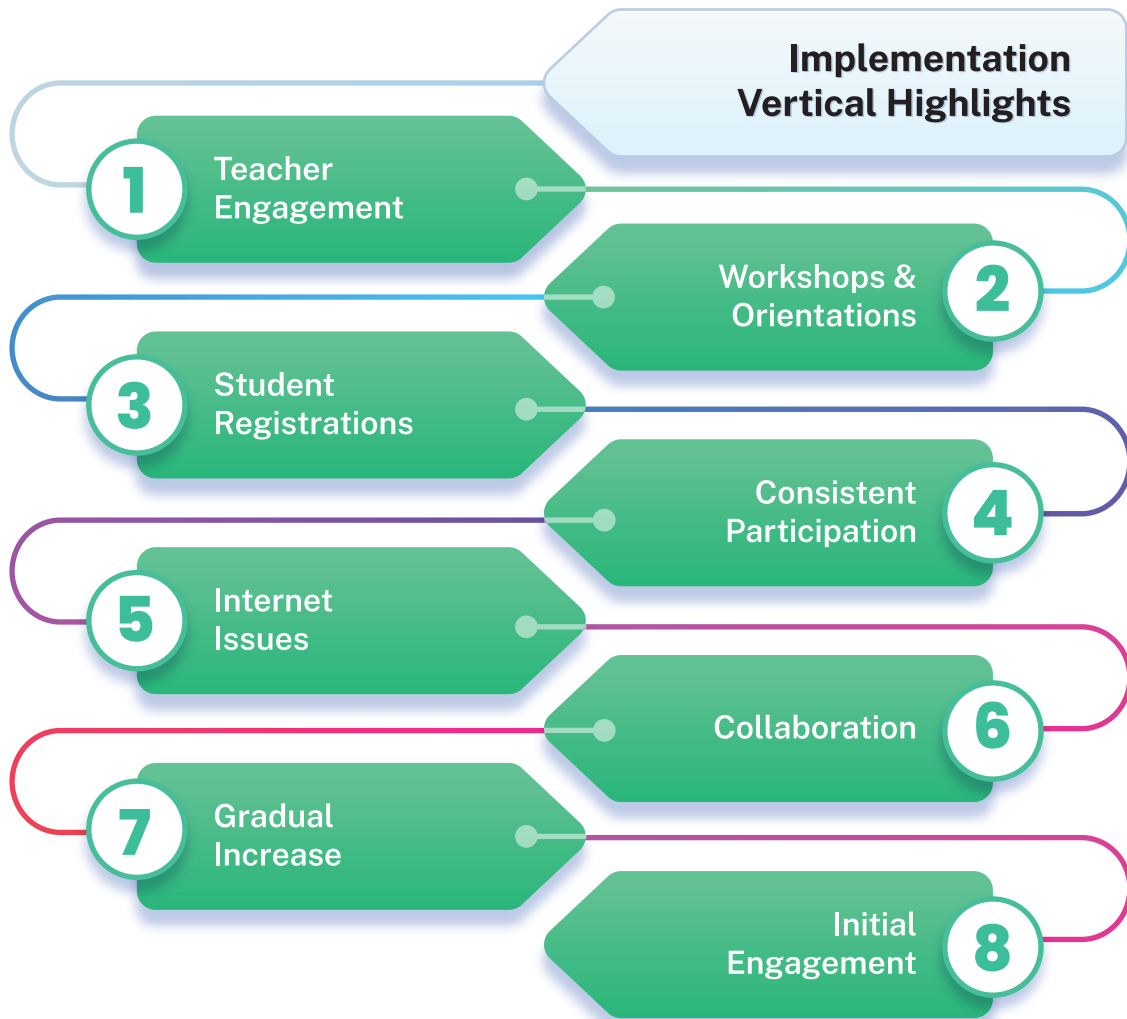

The team developed state and district dashboards for TS Schools, introduced new report formats for OAVS, and improved the Hum study interface. They conducted private school contests and added scenario-based questions to Hum study. Practice tests with multiple filters were introduced, enhancing student preparation. The integration of an equation editor for science assessments and the creation of detailed performance reports marked significant progress.

Key releases included the launch of assessment framework updates for Math, Science, and English, the implementation of a quality control protocol, and the completion of various report changes based on feedback. Comprehensive reports for participation, performance, and ranking were developed for TS Schools and OAVS, with cumulative reports for JNV and KVS also going live. Future plans involve developing teacher portals for worksheet generation and assessment assignments, as well as implementing feedback loops, pending prioritization.

Overall, the Product Development Vertical's efforts have significantly improved the user experience for both students and teachers, ensuring seamless operation and continuous improvement of NSF-India's educational tools.

# NCL: Implementation Vertical

The Implementation Vertical has been focused on engaging teachers and schools across various regions, ensuring the seamless execution of educational initiatives from April 2022 to March 2023. The efforts were targeted towards institutions like Navodaya Vidyalaya Samiti (NVS), Telangana Social Welfare Residential Educational Institutions Society (TSWREIS), Kendriya Vidyalaya Sangathan (KVS), Odisha Adarsha Vidyalaya Sangathan (OAVS), and Andhra Pradesh Social Welfare Residential Educational Institutions Society (APSWREIS).

## NCL: Key Insights

NVS showed consistent participation, with stable teacher engagement and active involvement through regular orientations and report display sessions. In TSWREIS, there was strong teacher engagement through workshops and orientations, although school participation fluctuated due to internet issues and term exams. KVS had participation primarily during specific periods, with regular student registrations and engagement activities, including demonstration sessions. OAVS saw a gradual increase in participation through orientations and student registrations, enhanced by collaboration with Dr. Manoj Das and the Assistant Director. APSWREIS began initial engagement by onboarding two schools, conducting orientation sessions, and facilitating student registrations.

Throughout the year, the Implementation Vertical demonstrated steady growth in engagement and participation across various educational institutions. Consistent efforts in organizing workshops, orientations, and regular engagement activities contributed significantly to this progress.

By focusing on engaging teachers and schools, the Implementation Vertical made notable strides in ensuring the effective execution of educational initiatives.

# Private Schools BEE Competitions

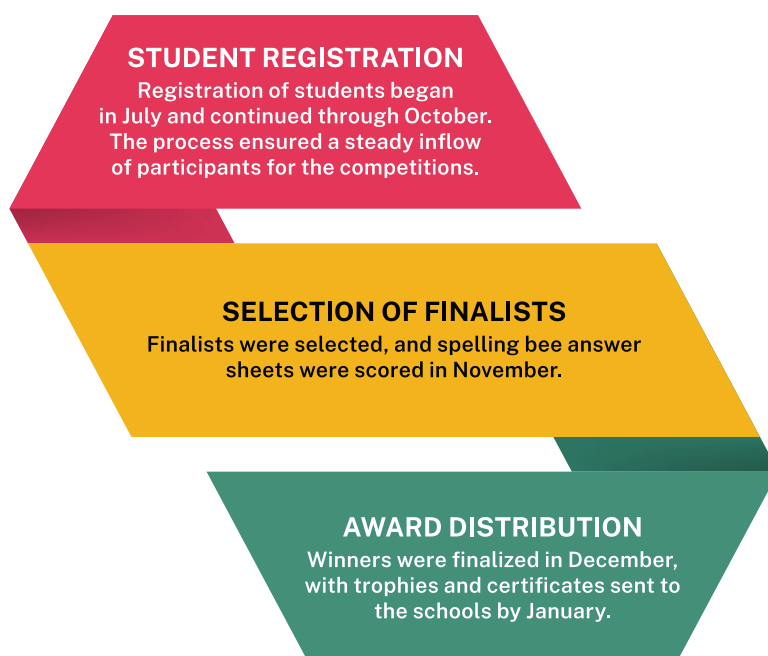

## Timeline and Progress

The Private Schools Competitions witnessed robust engagement from both teachers and students across numerous schools. Throughout the competition, participation remained consistent and steadily increased, with notable growth in the number of registered teachers and schools over time.

Key activities during the competitions included student registrations, the selection of finalists, scoring Spelling Bee answer sheets, and the final distribution of trophies and certificates. An organized and fair competition process was ensured, recognizing and celebrating the efforts of all participants.

Overall, the competitions demonstrated strong participation and engagement, culminating in successful events and the timely distribution of awards. The consistent efforts in organizing and managing the competitions provided a positive and enriching experience for everyone involved. This initiative reflects our commitment to fostering academic excellence and active involvement within our educational community.

	Aryan Madhusudan	II	Phoenix Greens School Of Learning (Hyderabad)
	Prabir Sharan	III	Phoenix Greens School Of Learning (Hyderabad)

## BEE Competitions 2022 Winners

Alongside work on the core verticals, significant efforts were made to expand and manage private schools, as well as liaise and communicate with prospective government schools.

## Liaising Activities:

The engagement with JNV (Navodaya Vidyalaya Samiti) included mapping all JNVs with UDISE codes and regular coordination with DCs, ACs, principals, and students. TSWREIS (Telangana Social Welfare Residential Educational Institutions Society) involved ongoing meetings and workshops with ICTs and officials. KVS (Kendriya Vidyalaya Sangathan) focused on student registrations and coordination with principals and coordinators. OAVS (Odisha Adarsha Vidyalaya Sangathan) registered additional schools and maintained active communication with SPD and directors. APSWREIS (Andhra Pradesh Social Welfare Residential Educational Institutions Society) coordinated the registration of Narasayyapalem and Bapatla schools. Private schools engaged in Zoom calls regarding the Spell BEE app and coordinated the distribution of certificates and trophies.

These efforts were made to maintaining strong relationships with both existing and prospective schools, ensuring effective communication and robust participation across all educational initiatives.

# Impact Stories

The scholarship enabled me to buy books, pay for mess bills and examination fees, keeping me on track to achieve my goals. The application and selection process was excellent. This opportunity encouraged my participation in extracurricular activities, which I utilized in the Seva for Children. I highly recommend this scholarship to other merit-based students aiming for higher education.

---

## **Bachu Navaneeth**

Jawaharlal Nehru Technological University  
Hyderabad (JNTUH-EEE)

Receiving the scholarship has allowed me to focus on my studies without the constant worry of financial constraints, making me economically stable and able to continue my academics. I faced numerous financial challenges that threatened my education, but the NSF scholarship helped clear my hostel dues, enabling me to stay near my college. The only challenge was fulfilling the 80-hour seva certificate requirement. As an NCC cadet, I participated in various events, including helping people with disabilities and serving the community. Many students are unaware of the NSF scholarship, so increased publicity would be beneficial. I highly recommend this scholarship to other students facing financial difficulties in continuing their education.

---

# Challenges faced by the NCL team during 2022-23

Throughout the year, our organization faced several challenges:

## Challenges faced by the Scholarship team during 2022-23

Limited funding and resources hindered program implementation and expansion.

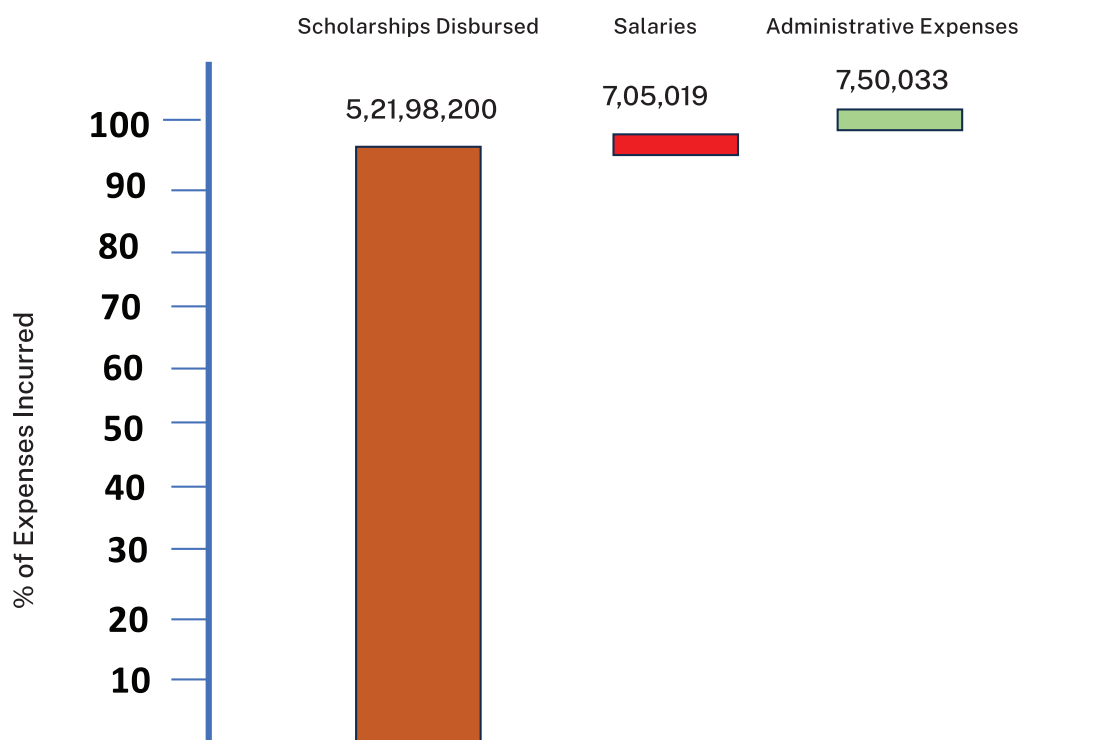

Raising awareness and reaching underrepresented communities for scholarship applications is difficult, resulting in fewer applications from these groups.

Despite these obstacles, we remain committed to our mission and look forward to overcoming these barriers with the continued support of our community.

## 7.0 Partnerships and Collaborations

We extend our warm gratitude to our major donors and sponsors. Their support has been crucial to our program's success. Generous contributions have significantly advanced our mission to provide educational opportunities and support for students in need.

With the donors in India and funding from NSF USA, we awarded over 2,700 scholarships. We conducted numerous assessments and organized various contests. These initiatives have empowered students to achieve their academic goals and develop essential skills for their future careers.

The impact of our donors' contributions is evident in countless students' success stories. Their support has relieved financial burdens and sparked hope and motivation among recipients.

We are deeply thankful for our supporters' significant contributions. Their generosity has allowed us to expand our reach and improve program quality.

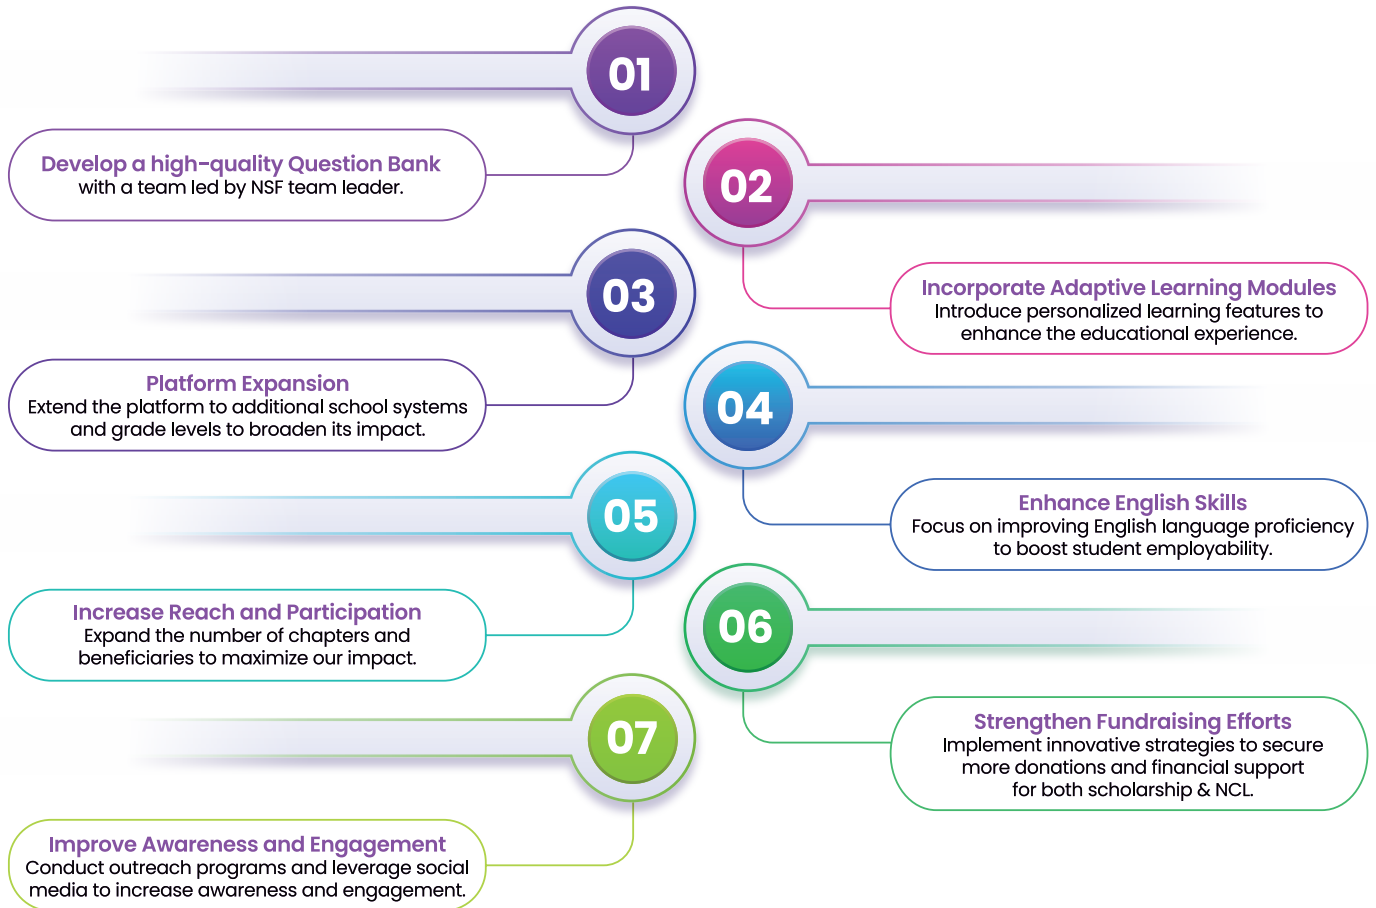

Looking ahead, we are excited to continue our mission with ongoing support from our dedicated donors and sponsors. Your contributions and belief in our mission to create a brighter future for students are truly invaluable.

# 8.0 Future Plans

## Goals for the Next Year

# 9.0 Acknowledgments

We extend our deepest gratitude to everyone who has supported Creative Learning this year. Your generosity and dedication have been pivotal in achieving our mission. This year, we are especially grateful for our donors whose financial contributions have enabled us to launch new educational programs and reach more students than ever before.

Our heartfelt thanks go out to our remarkable volunteers, our exceptional staff for their relentless dedication, ensuring the seamless execution and growth of our initiatives.

We are profoundly thankful to our partners for their invaluable collaboration and support. Together, we have reached new heights and made significant strides in nurturing creativity and learning. Looking ahead, we are excited about the possibilities that lie before us and remain committed to making a lasting impact on the lives of many more children.
