**Report on Financial Statements:**

We have audited the accompanying financial statements of North South Foundation which comprise the statement of financial position arising from cash transactions of North South Foundation as of April 30, 2014, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

**Management's responsibility for the Financial Statements:**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibility:**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing the procedures to obtain audit evident about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness

of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

**North South Foundation**  
**Notes to Financial Statements**  
**Year Ended April 30, 14**

---

(1) Purpose of Organization:

The organization was founded in 1989 for operating exclusively for charitable and educational purposes, or such other purposes as may be provided in section 501©(3) of the Internal Revenue Code including, for such purposes, the granting of scholarships to qualified third world country students who otherwise could not afford to further their education. Current funds are used to fund educational contests in the US, scholarships to students both in USA and India and other charitable purposes.

(2) Basis of Accounting:

The foundation maintains its books and records on the cash basis of accounting and as such the financial statements have been prepared using the same basis. Under the cash basis of accounting, revenues and related assets are recognized when received rather than when earned and expenses are reconized when paid rather than when the obligation is incurred.

(3) Valuation of non cash contributions:

The foundation values the non cash contribution by donors at the market value on the date the contribution is received even if the actual cost to the foundation is nil.

(4) Cash and Cash Equivalents:

The Foundation treats cash in hand, cash at banks and investment in money market accounts as cash equivalent. The breakdown by account as of April 30 is as follows:

	<u>30-Apr-14</u>	<u>30-Apr-13</u>
General Bank Account	313,115	176,085
Educational Contests Bank Account	38,072	73,982
Educational Materials Bank Account	25,015	16,086
General Money Market Account	2,968,286	2,241,223
Scholarship Money Market Account	37,691	10,102
Donor Advised Money Market Account	279,547	121,882
Endowment Money Market Account	14,455	14,453
Total	<u>3,676,182</u>	<u>2,653,814</u>

(5) Indirect Public Support:

(a) The Foundation allocates two thirds of contributions received from various educational contests and workshops as charitable contributions and treats the remaining as non charitable contributions. 100% of revenues received for meals and educational materials are considered program service revenues and there is no indirect support in those payments.

(b) The foundation has received public support and program service revenue totalling \$1,530,067 and \$1,319,992 during the years ended on April 30,14 and April 30,13 respectively. This revenue has been classified by management into public support direct and indirect, education contests and workshops, meals and education materials as per the computerized program developed by programmers. Management is responsible for proper classification.

(6) Donor Advised Fund:

This is a restricted fund managed by the Foundation based on the directives of the donors. Based on the advise of the donors, the Foundation makes disbursements to charities of their choice provided the recipients meet necessary guidelines.

(7) Endowment Fund:

This is a restricted fund which the Foundation can only use income for disbursements in charitable purposes. Donors contribute set amount of principal to the Foundation with the stipulation that the foundation will disburse the income for a stated purpose. For example, a donor can currently set up a \$5,000 endowment fund for one scholarship each year in perpetuity.

(8) US Scholarship Fund:

This is a restricted fund set up to meet the obligation of the scholarships awarded to the national finals champions each year. The Foundation started educational contests in 1993. The scholarship is redeemable by the awardees during the freshman year of college and is payable to the awardee through their institutions.

(9) General Fund:

This is mostly unrestricted fund where funds are deposited unless they belong to the restricted funds stated above or the donor has imposed restriction on the use of funds contributed.

(10) Classification of Net Assets:

During the FY 09-10, management has classified its net assets in three categories:

- (1) Unrestricted Funds
- (2) Temporarily Restricted Funds (Includes mainly scholarships and Donor Advised Funds)
- (3) Permanently Restricted Funds ( Endowment fund)

Opening balances of these funds as on May 01, 2009 has been taken in financial statements as certified by management.

(11) Investment in marketable securities (stocks and mutual funds) have been shown in the financial statements at cost.

(12) Investment in marketable securities consists of the investments in the following accounts maintained by the Foundation.

	(April 30, 2014)		(April 30, 2013)
