## National Finals - Meals Charge

Instruction for meals charge is displayed

### INSTRUCTIONS

- Charge for lunch is mandatory for all attendees. Lunch is being served as there are no facilities nearby to purchase food. Neither will you have time to go out for lunch and come back in time for the next event. This year, we are not providing breakfast and dinner.
- Based on the contest(s) registered, the system has prepared the grid. If your children have contests on both days, everyone who is accompanying the contestant, will be charged for meals.
- Meal charge cannot be refunded under any circumstances except in the case of a system error. If you register for meal, but do not participate in the event, the entire meal charge becomes tax-deductible donation to NorthSouth.
- At least one adult should accompany your children. You can nominate a guardian to take responsibility for your children. The guardian will be charged for meals.
- NorthSouth is run by volunteers. To make things simple, volunteers had to make certain choices in implementing the meals program. Currently, the system doesn't have the flexibility to opt out of lunch.
